

Information for 2022-23 School Year

Deborah Will, State Adviser

First Things First!

- Family, Career, Community Leaders of America is the student leadership organization that allows every FCS program to be in compliance with state regulations
- November 1 is referred to as an Early Affiliation Deadline, however, affiliation can continue as needed throughout the rest of the year

Choose to Make FCCLA a Priority

- Make it visible in the classroom, around school, involve parents, and gain administrator support. We have many resources to help with this.
- The FCS teacher is regarded as the **FCCLA adviser**-YOU, the ADVISER, are the key to **affiliated** membership and an active chapter. FCCLA is correctly carried out as part of **classroom instruction**.
- Can only be called FCCLA and use the resources when dues submitted to national office...that's what affiliation means!
- Affiliation happens on the local, state, and national levels.

Make 2022-2023 an

incredible
FCCLA.

Year!
