New Chapter Request Form

Chapter Structure Changes 2023-2024

Chapter Structure Changes (Effective 2023-2024 Program Year)

- **School Based Model (Preferred)**
 - 1 chapter for ALL Health and Medical Sciences Programs
 - 1 Primary Advisor + Co-Advisors for each program
- **Program Based Model**
 - 1 chapter for EACH Health and Medical Sciences Program
 - Example: Nurse Aide I + Nurse Aide II = 1 chapter
 - 1 Primary Advisor + Co-Advisors (if applicable)
- **District Based Model**
 - 1 chapter for ALL middle/secondary schools within the district that offer Health and Medical Sciences Programs
 - 1 Primary Advisor + Co-Advisors for each participating school

Advisor Affiliation Changes 2023-2024

Advisor Affiliation Changes (Effective 2023/2024 Program Year)

- All chapters MUST have a minimum of 5 student members + 1 advisor affiliated annually to remain an active chapter in good standing.
- Advisors should only affiliate under one (1) chapter
 - School based chapter model preferred
- Program Based Model
 - An advisor that teaches multiple Health and Medical Sciences Programs may have their contact information listed for each Program Chapter as the Primary Advisor
 - Co-Advisor(s) must be affiliated with each Program Chapter that the Primary Advisor is not affiliated with.
- Advisors should be Health and Medical Sciences Educators.
- **CTE Directors/Program Directors** or other faculty members who assist with supporting HOSA programming (i.e., affiliation/registration) should be affiliated as **Professional Members** of the chapter instead of as a Chapter Advisor, unless they serve dual roles and are directly advising/supporting chapter members/activities.

Virginia HOSA CE Update 2022-2023

State CE Changes (Effective 2022023 Program Year)

- **Competitive Events Limits**
 - 1 Health Science Event + 1 other Competitive Event (Any Category)
 - Any number of Recognition Events may be in addition to participating in a Competitive Event. Participation in a CE is not required to participate in Recognition Events.
- **Chapter Limits**
 - The table below outlines the new Chapter Limits for Team-based events (i.e., all Teamwork Category Events, CPR/First Aid, EMT, etc.).
 - Limits are based on chapter membership at the time of SLC registration.

Number of Student Members as of designated date above of the current program year	Number of Team Entries Per Chapter Allowed for Events Identified Below
1-20	2
21-40	3
41-60	4
61-80	5
81-100	6
Over 100	7

Virginia HOSA CE Update 2022-2023

State CE Changes (Effective 2022-2023 Program Year)
