

# Industry Credentials, Concentration Sequences, and Career Clusters

## Precision Machining II (8540)

### Industry Credentials:

*These apply only to 36-week courses.*

- CNC Milling and Turning Examination
- College and Work Readiness Assessment (CWRA+)
- Customer Service Examination
- Customer Service Specialist (CSS) Examination
- Machining-Level 1 Examinations
- Manufacturing Specialist Certification Examination
- Manufacturing Technician Level I Certification Examination
- National Career Readiness Certificate Assessment
- Pre-Manufacturing Technician I (PreMT1) Examination
- Precision Machining Assessment
- Professional Communications Certification Examination
- Workplace Readiness Skills for the Commonwealth Examination

### Concentration Sequences:

*A combination of this course and those below, equivalent to two 36-week courses, is a **concentration sequence**. A **program completer** is a student who has met the requirements for a CTE concentration sequence and all other requirements for high school graduation or an approved alternative education program. Students wishing to complete a specialization may take additional courses based on their career pathways.*

- Precision Machining Technology I (8539/36 weeks, 140 hours)

### Career Clusters, Career Pathways, and Occupations:

- Manufacturing
  - Maintenance, Installation, and Repair
    - Millwright
  - Manufacturing Production Process Development
    - Precision Inspector, Tester, or Grader
    - Production Manager
  - Production
    - Extruding and Drawing Machining Operator
    - Tool and Die Maker

- Quality Assurance
  - Quality Control Technician
